William Soules, P.E. Joins HEI's Pipeline Group

December 5, 2007 – Holland Engineering, Inc. (HEI) is pleased to announce that Mr. William Soules P.E. has joined Holland Engineering's Pipeline Group as Senior Project Manager. Using his 37 years of pipeline industry experience, Mr. Soules will be using his engineering background and industry experience to expand the electrical engineering services HEI is currently offering to our clients. HEI is proud to have Mr. Soules join our team!

Founded in 1977, HEI provides civil and structural engineering, land surveying and pipeline consulting services to clients throughout the Midwestern United States. HEI has grown from an original staff of five to over 55 engineers, surveyors and design professionals.
